

DIY Puppet Theater Activity Kit

This printable puppet theater kit helps children bring stories to life through creative characters, original scripts, and fun performances. Use this kit for dramatic play at home or in the classroom.

1. Puppet Character Templates

Use these basic templates to design your own puppets. Print, colour, cut, and attach to straws or sticks.

- Human Puppet Outline
- Animal Puppet Outline (cat, bear, rabbit)
- Blank Puppet Shape for freestyle characters

2. Script Starter Cards

Use these storytelling prompts to begin your puppet show. Pick one card from each row or mix and match!

Character	Conflict	Location
A shy elephant	lost its hat	at a noisy circus
A talking cupcake	gets stuck in traffic	on a rainbow road
A superhero snail	has to save a kitten	in a flooded garden
A robot goat	forgets its own name	inside a science lab

3. Puppet Stage Design Guide

Turn a cardboard box into your very own puppet stage. Here's how:

1. Cut a large rectangle out of one side for the stage window.
2. Tape fabric or paper to the sides as curtains.
3. Decorate with stars, signs, and colourful patterns.
4. Optional: Add a title banner and light source behind!

Junior Puppet Performer Award

This certificate is awarded to:

For creative storytelling, expressive performance, and excellent participation in the DIY Puppet
Theater Activity.
