

Dino Plant Tracker Journal

Draw your dinosaur planter and write about what you observe each day.

Date:

Drawing:

What changed today?

Did I water it? Circle: YES / NO

What did my dino garden need today?

DIY Dino Garden Name Tags

Cut along the lines and write your dino garden's name below each tag.

- [_____]

- [_____]

- [_____]

- [_____]

Weekly Growth Graph

Measure your plant height every few days and plot it on the graph.

Day 1: _____ cm

Day 3: _____ cm

Day 5: _____ cm

Day 7: _____ cm

You can draw a line graph on graph paper or here.

Dino vs. Plant Needs - Venn Diagram

Compare what plants and dinosaurs need to live. Fill the circles below.

Left circle: Dino Needs

Right circle: Plant Needs

Overlap: Shared Needs (like water, sun)

Bonus Dino Colouring Page

Colour your own dinosaur garden! Draw a dino with a plant growing on its back.

Use your imagination - add flowers, leaves, or even tiny vegetables!
