

Ocean Explorer Activity Kit

Printable Fish and Coral Cut-Outs

Use these templates to decorate your underwater diorama or mini aquarium habitat. Let kids colour, cut, and paste sea creatures creatively.

Ocean Vocabulary Flashcards

Includes 20 essential ocean-themed terms like 'tide', 'current', 'reef', 'plankton'. Print double-sided and play memory games or matching challenges.

Ocean Layers Mini Poster

A visual reference showing sunlight, twilight, and midnight ocean zones. Use this to discuss marine life habitats at different depths.

Junior Marine Biologist Certificate

Award this certificate once kids complete 3 or more ocean-themed activities. Personalise with name and date.

Activity Planner Checklist

A one-page checklist to track completed activities such as soap foam sensory bin, ocean bottle experiment, or seashell sorting.
