

The Shoebox Scene Kit

Printable Backdrops

Includes three themed backdrops you can cut and glue inside your shoebox: Forest, Space, and Underwater. These designs set the stage for storytelling and imaginative play.

Miniature Prop Cutouts

Cut and create tiny props like trees, fish, rockets, buildings, and more. Use coloured paper or decorate the templates to match your diorama theme.

Label Templates and Speech Bubbles

Add fun, comic-style dialogue to your scenes! Includes blank and pre-written bubbles, plus customizable labels to name your scenes or characters.

Creative Scene Certificate

Celebrate your hard work with a printable certificate of creativity. Kids can fill in their name and scene title to make it official.
