

Paper Mache Animal Mask Template Pack

Included in This Pack

- Basic Mask Shape Outline (fits standard balloon mold)
- Printable Eye Hole Guides (adjustable sizes)
- Add-On Templates:
 - Pointy Cat Ears
 - Round Bear Ears
 - Curved Unicorn Horn
 - Fox Snout Overlay
- Scissor-Safe Cutting Lines and Folding Hints
- Tips for Tracing and Scaling on A4 Paper

How to Use These Templates

1. Print the mask outline on thick paper or cardstock.
2. Cut along the guide lines and glue to your paper mache base.
3. Trace and cut ears, horns, or snouts from cardboard or thick paper.
4. Secure the features to your mask and reinforce with additional layers of mache.
5. Let dry, then paint and decorate your animal mask!
